### Policy

#### 1. School profile

Bentleigh West Primary School (BWPS or School) has:

- A commitment to student safety in all school environments with zero tolerance to child abuse.

- Established teaching teams that construct a learning environment where students learn and feel valued.
- Developed expectations that all students can learn.

BWPS responds to the needs and expectations of the community by providing evidence based educational programs that ensure all students learn. The School actively builds strong relationships, as parents are vital partners in the educational process. BWPS invites active participation in the school; examples being School Council, Sub Committees and Parents & Friends.

The School believes all students need to feel increasingly connected locally, nationally and globally and see education as their intellectual right and most powerful vehicle to positively contribute to the wider community.

Bentleigh West Primary School is located 15 km from the CBD in the South Eastern bayside suburbs, in the City of Glen Eira. It is bordered by Nepean Highway, South Road, Jasper Road and North Road, giving it a well-defined and discrete catchment area. The majority of children are 'local' and within either walking distance or a short car drive to the school. Enrolments are mainly drawn from five local Child Care and Kindergarten centres - Bentleigh West, Roseberry House, Bentleigh, McKinnon and Caulfield South. Neighbouring schools are Gardenvale, Ormond, McKinnon, Tucker Rd P.S. St. Finbars and St Pauls. Grade 6 children feed into McKinnon S.C., Brighton S.C., Bentleigh S.C. and a variety of independent schools.

## 2. School values, philosophy and vision

BWPS actively lives six values:

- **Care** - Caring for self and showing interest in, concern for and caring of others.
- **Respect** - Treating others with consideration and regard.
- **Positivity** - Approaching tasks with optimism and being enthusiastic about the future. Being resilient and focusing on improvement rather than blame.
- **Persistence** - Striving for personal best; accepting challenges and trying hard and not giving up easily.
- **Responsibility** - Personal, Social, Civic and Environmental. Responsibility for one's own actions; responsibility for the way in which one interacts and cooperates with others especially for resolving differences in constructive and peaceful ways; responsibility for one's role in contribution to society and responsibility for one's role in the maintenance and preservation of the environment.
- **Resilience** - You are able to bounce back and adapt to change and be better for the experience.

Team planning and targeted teaching across the School maximises opportunities for student and teacher relationships to support student learning and wellbeing. BWPS provides a strong framework for a safe and nurturing environment through the following:

- The School's values;
- Evidence based practice, shared protocols and norms;
- A commitment to relationship building throughout the School via positive behaviour and restorative practice philosophies.

BWPS links with the community to provide a range of extra-curricular activities and leadership opportunities for students and encourages outstanding performances in the areas of leadership, academic achievement, sport, and the Arts.

A whole school approach to outdoor education, swimming and bike education help support the provision of a breadth of opportunity for all students. Through the Student Representative Council (SRC) students are actively engaged in decision-making within the school community and the School places high value on the expertise of our teachers and the role of parents as partners in learning.

The School's agreed set of values is central to all policy and decision-making. These values give emphasis to the co-operative and caring nature of the school's ethos and promote recognition of a positive and persistent attitude and a strong sense of responsibility and respect for all.
