

Bentleigh West Primary School

CURRICULUM FRAMEWORK POLICY

Policy Statement

Curriculum covers all arrangements the school makes for students' development and learning. It includes the course content, teaching approaches, learning tasks and the way in which teachers and classes are organised. It guides the decisions pertaining to the need for and the use of facilities and resources.

Our school encourages every student to strive for excellence in all of their endeavours. To achieve this, the school provides sequential teaching and learning programs that deliver a comprehensive, broadly based and inclusive curriculum.

Each year the school will provide an overview of its curriculum that will include English, Mathematics and the Units of Study, along with overviews for discipline-based specialist subjects.

Guidelines

- Our school will recognise and respond to diverse student needs when developing its curriculum programs and curriculum plan.
- Our school will comply with all Department of Education and Training (DET) guidelines about the length of student instruction time required in Victorian schools.
- There will be a broad offering of programs to meet the demands of students. The Vic Curriculum will be implemented from Foundation to Year 6 at our school.
- The DET places a high priority on the teaching of Physical Education, Languages and EAL. Our school also places a high priority on the teaching of these learning areas.
- School curriculum programs are designed to enhance effective learning.
- Supporting students with transition into school, through school and on to secondary education is an important focus for our school.
- Teaching and learning programs will be resourced through Program Budgets.

Program

- Our school will provide a variety of programs to address the specific needs of students in relation to gender, disabilities, learning difficulties, giftedness and students from language backgrounds other than English.
- Our school will identify and cater for the different needs of individuals and particular cohorts of students when developing its curriculum plan.
- Our school will provide 25 hours of student instruction per week.
- Vic Curriculum will be used as a framework for curriculum development and delivery from Foundation to Year 6 in accordance with DET policy and guidelines.
- To facilitate this implementation, documentation for teaching, learning and assessment will be produced that reflects Vic Curriculum.
- The DET requirements related to the teaching of Physical Education, Languages and EAL will continue

to be implemented.

- The use of Information and Communications Technology (ICT) will be integrated across the curriculum to support the improvement of teaching and learning outcomes.
